PROFESSIONAL EXPERIENCE

Frontend Developer || Freelance

June 2024 – Present

- Engaged in freelance frontend development projects, delivering high-quality, responsive, and dynamic web designs.
- Collaborating with clients on various platforms including Upwork, Freelancer, and Fiverr to create custom web solutions tailored to business needs.
- Developed a user-friendly e-commerce website for furniture sales with responsive design.
- Improved website speed and performance using JavaScript optimizations.
- Ensured a seamless user experience across all devices.

Senior Sales || Vodafone

January 2024 – May 2024

- Drove sales growth by establishing strong client relationships and understanding customer needs.
- Developed and executed sales strategies, resulting in increased revenue and market penetration.
- Provided exceptional customer service, addressing issues promptly to enhance satisfaction and retention.

Direct Account Manager || Paymob

May 2023 – December 2023

- Built strong client relationships through daily interactions, both in-person and over the phone.
- Managed sales leads, tracked customer accounts, and promoted the company's products and services to drive revenue growth.
- Collaborated with the marketing team to enhance brand visibility and provided regular reports on account performance and market trends.

Senior Sales || Etisalat

February 2017 – April 2023

- Analyzed market trends and customer behavior to adjust sales strategies and achieve targets.
- Collaborated with internal teams and suppliers to optimize costs and maximize profitability.
- Focused on identifying customer needs, resolving complaints, and enhancing satisfaction and loyalty.

Sales outdoor || Orange

December 2015 – January 2017

- Engaged new and existing customers to understand their needs and offer tailored solutions.
- Conducted site visits to evaluate requirements, demonstrate products, and build strategic relationships.
- Achieved sales goals and exceeded customer service and loyalty standards through proactive outreach.

Frontend Development Diploma

Pioneers of Digital Egypt

Ministry of Communications and Information Technology (MCIT), Egypt

June 2024 – December 2024

- Mastered core web technologies, including HTML, CSS, JavaScript, and frameworks like Bootstrap and Angular.
- Focused on responsive design, CSS animations, and creating dynamic, interactive user interfaces.
- Gained hands-on experience in building professional web applications with a focus on usability and performance.

Programming Fundamentals Diploma

Specialization in C++

Route Academy

December 2023 – May 2024

- Gained comprehensive knowledge in programming fundamentals, with a focus on Object-Oriented Programming (OOP), algorithms, and data structures.
- Developed problem-solving skills through practical C++ programming, focusing on classes, inheritance, polymorphism, and key algorithms.

English Language Course

Accepted Academy

December 2023 – May 2024

- Enhanced proficiency in English communication, grammar, and writing skills for professional and personal purposes.
- Focused on improving fluency, vocabulary, and comprehension through interactive lessons and practical exercises.

Bachelor of Law

Sadat University, May 2015

Grade: Good

PROJECTS

E-commerce Website:

- A responsive e-commerce website with product listings, shopping cart, and user registration, built with HTML, CSS, and JavaScript.

CRUD Web App:

- A simple CRUD web application that allows users to Create, Read, Update, and Delete items using vanilla JavaScript.

Weather Forecast App:

- A weather forecast application that fetches real-time data from a weather API and displays it with a user-friendly interface.

Login & Register Form :

- An interactive login and registration form with JavaScript validation for user authentication.

Mealify Recipes UI:

- A front-end interface for a food recipes app, focused on layout and design.

Fokir Personal Website:

- A personal portfolio website showcasing your skills and projects with clean and modern design.
